Pass the SALT 2024

7th edition

sponsoring@pass-the-salt.org

The conference

Pass the SALT is a **technical conference** held **in English** and entirely **dedicated to Security and Free Software**. Last edition, in July 2023, hosted **22 talks and 3 workshops**.

2024 edition will be held:

- **Date** : from 3 to 5 July, 2024
- **Location**: FR, Lille, Polytech engineering school
- **Entrance** : Free
- **Attendance (goal)** : 200-300 people

Attendance & evaluation (2023)

The 2023 edition saw its **no-show rate dropped from 33% to 20%**, which is good for a free access event. 108 persons attended and **most of them stayed all along the 3 days**. Their **event evaluation has been excellent** (post event survey) on the organization and content sides.

Our complete 2023 edition report is available at : <https://2023.pass-the-salt.org/annual-report/>

Feedback

My slides "Hacking Jenkins" for #pts19 and #HITBAMS is out! This is my first time to go French and Pass the SALT(@passthesaltcon) is such a really really good and interesting conference!

@passthesaltcon la conf m'a donné une pêche et une inspiration d'enfer. Merci à tous !

Hash Miser
@H_Miser

Super cool proxmark workshop at #PTS19 with @herrmann1001 and @doegox ! Thanks for all the knowledge shared today !

"My Favorite IT Security Event: Pass the SALT"

Why sponsoring

- **Brand exposure:** your brand strengthens its image with the participants present (**hackers, professionals, researchers**) or with those watching in streaming / replay..
- **Recruitment:** your hiring process will be made more credible by your presence as a partner. (**attendees: 15 % students and academics, 21 % public sector and 55 % from private sector**).
- **Strengthen your brand image** inside the community by allowing :
 - a free access to quality talks about Security and Free Software ;
 - exchanges and collaborations [1] between experts from these communities, passionate hackers but also professionals using Open Source Security solutions.
